

Black History Event

This event took 6 weeks to plan and was organised by local African and Caribbean led organisations in Sandwell and a team of Officers from Sandwell Council. The Partnership worked well to put together the event with a small amount of funds and very little time.

The day included a range of market stalls where local groups advertised their products and services, lots of entertainment; Caribbean music and singing, African Drumming and West Bromwich African Caribbean resource centre (WBACRC) choir.

There was a slide show on a loop which depicted local heroes from the African and Caribbean community who have backgrounds in trade unions, politics, music, sport, community activism and a number of active citizens who have helped to shape the fabric of Sandwell community services.

Presentations were delivered from key health and social care services in the borough which were us, Oscar Sandwell, Dorcas Housing and community Association and WBACRC.

The day was interspersed with talks from Mr Eubanks from WBACRC, Derek Campbell formerly CEO from Race Equality Sandwell and the Mayoress.

The food provided for lunch was a selection of tasters and was a mixture of African, Caribbean and Asian cuisine. The food queue seemed to go on for miles!

Feedback was sought from the people who attended the event which will feed into the areas to be considered and the planning for the 2014 event.

If you came to the event we hope you enjoyed it, look out for the details for the 2014 event on our website as a Black History event will be planned to take place in the Summer 2014.

See you next year!
